A bypass pruner is a good choice. This type of pruner has blades that overlap giving a nice and clean, cut edge. It works great for smaller jobs. If you have bushes that you prefer to trim or shape, hedge shears are a better choice. In your home garden, there are certain garden hand tools that will make the planting and maintenance easier.

By the next morning, about 12 hours later, they had set enough to at least be able to pick them up. They were still a little more "wet" than most no bake cookies. Even though they took awhile to set, they still tasted fine. In my opinion, the sticky ones are much better than coming out with dry, crumbly cookies.
