OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

### 14 Jazz Funk Etudes Alfred

Le jazz manouche est un style de jazz qui témoigne des apports stylistiques des musiques gitanes, manouches et d'Europe centrale ainsi que du musette et de la chanson française dans le jazz, qui, dès 1932, arrive des États-Unis en Europe [1]. Né en France dans les années 1930, il se caractérise dans sa forme originelle par une section rythmique assurée par deux guitares et une ...
