Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules.

After Auschwitz A Story Of

Very difficult to read. A horrible experience. After reading Joe Rubinstein's story, it's easier to understand why people that survived the Holocaust never wanted to talk about it. But I'm glad Joe Rubinstein was willing to tell his story, and the second part of the book (life after WWII) was much more uplifting.
