negative energy in  
your house can  
actually be quite  
simple. You can tell  
whether the energy in  
your home is good or  
bad – or neutral –

based on the way you  
feel inside while you're  
inside it. A house filled  
with good energy feels  
fresh and vibrant — it's  
full of life and you feel  
good being there.
