The Series 7 and Series 66 exams, in my opinion and that of many others, are the most difficult of the core Securities examinations to pass. For me at least, the Series 66 was more difficult to pass than the Series 7. I passed the 7 on the first try, but it took me three attempts to pass the Series 66.

A month ago I utilized an older version of this book to successfully pass the series 7 exam. My process was to read the book cover-to-cover, completing the chapter reviews along the way, creating a 500 question practice exam on the (not-included) Q-bank, and then reviewing any areas in which my understanding was lacking.
