Yes, it is very possible and easy to link your phones or tablets to the TV. However, if your phone has a USB port or the Mobile High-Definition Link (MHL), then you are reading the right post. Most recent phones now come with MHL functions, because the mobile industry is gradually compacting the power of computers into small mobile devices.

A screwdriver is a tool, manual or powered, used for driving

screws. A typical simple screwdriver has a handle and a shaft, ending in a tip the user puts into the screw head before turning the handle. This form of the screwdriver has been replaced in many workplaces and homes with a more modern and versatile tool, a power drill, as they are quicker, easier, and can also drill holes.

Screwdriver - Wikipedia
