It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Oxford English For Careers Commerce

Others have entered careers such as commerce, banking, financial services and communications. See the Theology and Religion Faculty website for more information about careers. John, now a QC says: 'I could not recommend Philosophy and Theology at Oxford more highly.

Philosophy and Theology - University of Oxford

Administrative Law is concerned primarily with judicial control of the activities of the executive branch of government. The main topics covered are: (1) the grounds on which decisions and rules made by the executive can be challenged in the court - some of these relate to the substance of the decision or rule and others to the procedure by which it was made; (2) the remedies which can be ...
