Seabee Supply Manual 4400 1b - pulpwatchindonesia.com

Design and development. The RC-3 Seabee was designed by Percival Hopkins "Spence" Spencer, an aviation pioneer who built his first hang glider in April 1911. At the time, he was 17 years old and constructed it from plans he found in a Popular Mechanics magazine. On May 15, 1914, Spencer made his first powered flight in a Curtiss flying boat. In 1937, he joined Sikorsky engineer Vincent A ...

Republic RC-3 Seabee - Wikipedia

During the early part of 1942, Frank lafrate, a clerk at the Naval Air Station Quonset Point, was approached by a LT Shilstone and asked to create an insignia for a group of 250 men he was in charge of. The group was a new special group of Navy men who were being trained by civilians in construction work and by Marines in military training. They were being referred to as Construction Battalion ...
